BEFORE THE YOGA CLASS

Offer Your Customers a Yoga Class

If you're interested, we'd be happy to provide you with fliers and posters and/or digital content to offer your customers this yoga class on social media.

Encouraging Post-Yoga-Class Purchases

Our group is a social one. If you're interested in offering any fun yoga student deals to purchase/stay following class, we'd be happy to promote your deals on our website, social media and email distributions prior to class. Furthermore, if you'd like to offer a beverage or purchase so that each student not only registers for class, but an item from your menu we're open to this option as well.

DAY-OF THE YOGA CLASS

Setting Up Your Space

All our group needs is space. We can plan to arrive early to clear tables and chairs as needed for an open space. Follow class we'll also help return everything into it's original space.
